## Board of Directors - 2022/2023

The 2022-2023 BRHC Foundation Board of Directors wishes to thank all of our donors for your ongoing support. As representatives of this community, the Board of Directors strives to do the very best for you with the funds we receive.

Through your generous support we have been able to fund the purchase of equipment for various areas throughout the Brandon Regional Health Centre. What a wonderful feeling it is

to know that wherever our donors may be within the Brandon Regional Health Centre, they will be touched by an item that has been purchased as the result of donations.

Thank you for allowing us the privilege of managing your donations and helping us to achieve our goal of supporting the healthcare needs in the regional community.

## Chairperson's Message

As Chairperson of the Brandon Regional Health Centre Foundation Board of Directors, it is my pleasure to present the Annual Report for the 2022/23 fiscal year. With a new Executive Director and Assistant and post Covid protocols slowly being lifted, it was a year of transition and renewed growth. After three difficult years, there was definitely a feeling of "getting back to normal". Board meetings slowly moved away from being held virtually and returned to in person gatherings which was a welcome change. Our major fundraisers, the Gala Dinner and our annual Pancake Breakfast returned with resounding success as well as our Tree of Lights Campaign and staff 50/50 draw. For the fiscal year ending March 31st, 2023, the Foundation received donations and bequests of just under 1.4 million. This money goes

directly to purchasing equipment for the Brandon Regional Health Centre and surrounding areas. Once again, the people of Westman demonstrated their continued support of the Foundation.

I would like to thank the members of our Board of Directors not only for their work on the Foundation's various committees, but also for being an incredibly conscientious group of people who are genuinely interested in upholding the integrity of the Foundation. It is a pleasure to work with them. I would also like to thank our Executive Director Jo-Anne Lewis and her Assistant Rose Hanna for keeping our office running smoothly and for being the pleasant faces that greet our donors both in person and on the phone. Lastly, I would sincerely like to thank our donors. It is because of your continued generosity that the Foundation is able to make a difference and better meet the health care needs of our community.

Joanne Campbell  
Chairperson, Foundation Board of Directors

# Treasurer's Report

The 2022-2023 fiscal year was my first year as treasurer of the Foundation Board. It has been a great year and I am excited to continue as the Treasurer for the 2024 fiscal year. The generosity of the Westman community is truly humbling as we saw another year of donations, volunteering and support. This year we saw significant changes to policies and work environments as we lifted many COVID-19 policies and transitioned closer to our "post COVID-19 world". As my first year with the board, I relied heavily on the administrative team, Jo-Anne and Rose, as well as the Foundation Chair, Joanne Campbell. My sincere thanks to them.

For the fiscal year ending March 31, 2023, the Foundation incurred a deficiency of revenue over expenses of \$354,571 resulting in a decrease of unrestricted net assets to a year-end balance of \$5,752,451. The previous fiscal year saw a deficiency of revenue over expenses of \$328,842.

Total revenue for the year was \$882,847 compared to \$526,519 in the prior year. For the first time in many years, investment portfolio income and losses have been comparable to the prior year. The value of the portfolio in the 2022-2023 fiscal year saw losses of \$298,606 compared to \$272,362 in the prior year while the investment earned income was \$321,563 compared to \$344,691 in the 2021-2022 fiscal year. The increase in the current year total revenues is most notable in the amortization of deferred revenue. Fundraising and donation income for the fiscal year was \$808,064. These amounts raised and generously donated were once again allocated to support the health care needs across the Western region.

As we review our expenses, there is a notable increase in grants paid in the year. The other expenses are comparable to prior years. Grants paid in the year will fluctuate with the amortization of restricted contributions available for payment. We saw increase in fundraising and donations, therefore saw an increase in the Foundation's ability to pay grants.

Along with my first year as treasurer, it was also my first year chairing the Finance and Grants committees. The committees meet independently to review the mandated financial reports and present the results to the Board. The Grants Committee met to review all grant applications and approve the total grants to support the community and healthcare needs in the Western Region. The finance committee met with the external auditors to review the 2022-2023 fiscal year results as well as the 2023-2024 projected budget.

On June 21, 2023, the Foundation's auditors, MNP LLP released audited financial statements with an unmodified auditor's opinion that the financial statements present fairly, in all material respects, the financial position of the Brandon Regional Health Centre Foundation as at March 31, 2023.

Whitney Sharkey  
Secretary/Treasurer, BRHC Foundation Board of Directors

## Our History

The Brandon Regional Health Centre Foundation was founded in 1980 by a group of forward thinking Board members. John E Harrison, along with Edward Shultz, Kenneth Bicknell, and Myron Magee, set out to establish a non-profit, registered charity whose purpose was to augment funding for quality healthcare that would benefit everyone served by the hospital.

The Steering Committee, complemented by Stella Mills and Herman Nikkel, filed a petition for the enactment of Bill 11 of the Manitoba Legislature for the incorporation of the Foundation. Bill 11 received Royal Assent on July 9, 1980, and the Foundation was created to receive donations, hold money in perpetuity, and distribute investment income in the form of grants. Our current mission, "To raise funds to support healthcare needs in the regional community" is the enduring legacy of this foresight.

Over the years, several campaigns have been developed and achieved by the BRHC Foundation thanks to the amazing generosity of our business and community members. We hold a regular Spring and Fall Newsletter Campaign with the goal to raise dollars for the purchase of needed equipment at the Brandon Regional Health Centre. The Gala Dinner & Dance was back this year at the Victoria Inn after a 2 year absence. And in December, to kick off our Tree of Lights Campaign, we held our annual Pancake Breakfast in the Murray Chevrolet Cadillac Buick GMC's Showroom. The Foundation also held our WestJet Gift of Flight Raffle; the Foundation is extremely grateful to Westjet for their ongoing support!

The BRHC Foundation is very fortunate and thankful to be the recipient of many third party fundraising events in our community as well as having so many generous donors. We would like to thank all those who gave their support!

*As stewards of the generosity of our donors, we are so grateful for the support and trust we have received since inception.*

## Our Newsletter Campaigns

Each year the Foundation hosts two newsletter campaigns - the Spring Campaign and our Fall Newsletter Campaign which kicks off the Tree of Lights fundraiser. Supporters receive our newsletters where we share what has been happening at the Foundation and have the opportunity to choose to continue their support through our newsletter donation process.

Donors direct their campaign donations toward carefully selected pieces of equipment chosen from the BRHC's equipment needs list for that year. We are thrilled to share that we were able to purchase all of the items requested with this year's campaigns!!

The 2022 Spring Campaign raised \$16,774 for the Brandon Regional Health Centre to purchase an Arjo Lift for the facility and OR Tables for the Operating Room.

The Fall Newsletter Campaign in conjunction with the Tree of Lights fundraiser and Pancake Breakfast raised \$23,604 for the Brandon Regional Health Centre. The facility purchased Family Room Furniture for the Maternity Unit and 3 NIBP's (Blood Pressure Monitors) for 400 Medicine with your generous donations.

**A huge Foundation thank you to everyone who supported our 2022— 2023 campaigns!**

## Third Party Events and Donations

It is an honour to be the “charity of choice” when individuals, groups, organizations, businesses, schools, etc., choose the Foundation as the recipient of proceeds from their fundraising efforts. The groups shown below provide a glimpse into some of the outstanding support we received from our community of donors and supporters during the year.

Thank you to everyone who supported the Foundation by planning a third party event and to all who supported these initiatives.

## Our Events

### Pancake Breakfast 2022

Murray Chevrolet Cadillac Buick GMC graciously offered us the use of their showroom and parking lot for our annual Pancake Breakfast. The Crocus Plains Culinary Arts students once again stepped up to do the cooking and once again did a fantastic job! This year patrons had a choice to dine-in, pick-up or have their breakfasts delivered. Volunteers, Board Members and staff all lent a helping hand setting up, doing clean-up, delivering breakfasts and of course visiting with the patrons.

**Thank you to all those who supported the 2022 Pancake Breakfast!**

### 2022 Tree of Lights Fundraiser

The Tree of Lights fundraiser is a wonderful and heartfelt way to remember and memorialize a loved one, or to honour someone special. Personalized tree tags are placed on the "Tribute Trees" located in the atrium of the hospital and the "Trees of Lights" in the traffic loop are illuminated as donations are received.

**A huge thank you to everyone who supported the 2022 Tree of Lights Campaign!**

### WestJet Supports the Pediatric/NICU!

Once again we send a heartfelt Thank You to WestJet for supporting our Pediatric & Neonatal Intensive Care Unit. Through their donation of a "Gift of Flight for two anywhere WestJet Flies" we were able to hold a very successful raffle. Over \$8,000 was raised for the purchase of equipment for the Pediatrics and NICU.

Congratulations to our lucky winner **Norma Woodman**—we hope you enjoyed your trip!

**Thank you to all those who supported the BRHC Foundation Events & Campaigns!**
